

# SESSION FOUR

## IN THE DAY TO DAY

### KEY POINTS:

- Jesus and the Father have made their home with you.
- God's love and Word is the milk of your faith.
- Relationship requires investment.

### FATHER IN THE HOME:

Write out John 14:23 below:

---

---

---

---

Focus on the first phrases. Do you feel you try to earn God's love and approval by your actions and behavior?

---

Express the difference between being obedient to prove your love verses obedience naturally following a heart that loves.

---

---

---

### LOOK WITHIN:

Continue this week exploring your relationship with God as your Father. Do you feel as if you have a Dad in your home daily walking with you? Explain your answer.

---

---

### MILK OF YOUR FAITH:

Write 1 Corinthians 3:2 below:

---

---

---

In your current walk of faith, would you consider yourself to be an infant, teenager, or more mature adult in your faith?

---

In what areas do you think you need to grow? Give an example to substantiate your answer.

---

---

*The time you spend in pursuit of the Beloved is in direct relation to your closeness to Him.*

PRACTICE THE DANCE:

How can you apply one or two Key Points to your day-to-day life and to your day today?

---

---

---

A note that I made for myself that I forgot to share on the video segment was this: “The church is filled with starving women who no longer feel their tummy growl, thirsty souls who refuse to drink.”

You may not even know you’re hungering for the milk of your faith. You may not know you’re longing for Living Water. Don’t let this week’s assignment pass you by without taking a serious look within.

End with prayer time in your journal. Explore some of the questions above and in the book. Make them ongoing questions that you view with an honest look within.
