

SESSION THREE

INTIMATE RELATIONSHIP

Since there are only a few questions at the end of this chapter, I'm including more in the way of supplemental material.

KEY POINTS:

- Intimacy grows through time spent together.
- Earthly father issues can hinder your relationship with your Heavenly Father.
- No matter your feelings, Jesus is enough; He is everything.

Write Luke 7:47 below:

Who are you in this passage, the one who loves much or little?

Is His love for your staggering? Explain your answer.

LOOK WITHIN:

Does your past make you consider yourself the dirty girl or the clean girl?

Look up the following two verses: Isaiah 1:18 and 1 John 1:7. What do they say about what God can do with your sin?

Anything in darkness has tremendous
power over you.

What do you keep in the darkness that needs to be exposed to the Light?

Does your past keep you silent?

“You will seek Me and find Me when you search for Me with all
your heart.” (Jeremiah 29:13)

Intimate relationship is not only possible, it’s encouraged. There is an investment required in order for your level of intimacy with

Jesus to deepen. “Search for Him” doesn’t mean He’s hiding from you. It means you have to search out the scriptures. You have to watch for His activity in your day to day life. You have to intentionally pursue this relationship with Him. A deepening of your love relationship with Jesus will never be accidental.

PRACTICE THE DANCE:

How can you apply one or two Key Points to your day-to-day life and to your day today?

End with prayer time in your journal recalling your own “Isn’t God great moments?” How He’s taken the worst of you and underscored the best of Him. (Below or in a journal if you’re keeping one.)
